On-Boarding Package 2025/2026 Season

Strasbourg Minor Hockey

Welcome To The 2025-26 Maroons Season!

Strasbourg Minor Hockey has enjoyed many years of success and has supplied the fans of ice hockey with years of enjoyment and excitement. Many players have left Strasbourg Minor Hockey to pursue hockey careers by moving onto Midget AAA, Junior A, University, Semi Pro and NHL ranks.

There also have been many DEDICATED volunteer coaches and staff that have put in many rewarding hours to help develop our young hockey players and help them meet their goals and dreams.

Special thanks to all minor hockey sponsors, coaches, volunteers and parents for dedicating funds and endless hours at the rink to support minor hockey.

RINK INFORMATION

Our Canteen

Do you love a rink burger on a cold December morning? We do too! But those burgers aren't going to cook themselves! Our Maroons kitchen can't run without YOU. Each year your family will be assigned shifts to work at the canteen. If you are unable to work, please ensure you find your own replacement for that shift. Please be kind when asked to work your shift, be sure to show up! The canteen profits over \$45,000 a season and that money goes toward keeping our rink in tip top shape!

Skate Sharpening

Did you know you should have your skates sharpened every 8-10 hours of use on an indoor rink and every 6-7 hours when used on an outdoor rink? Did you know our rink has an in-house skate sharpener and a designated person to use it? Did you know the Strasbourg Rink was built in 1976, well that part isn't important.

Prices for Skate Sharpening: \$8/ a pair OR \$70 for a punch card of 10 sharpens

There will be a posted phone number outside the skate sharpening office, to contact if you cannot locate the Caretaker to get those blades game day ready

Keep your edges and your game sharp!
